Located 7 min walking distance from the ocean! In Myrtle Beach, South Carolina where each year thousands of people from all over USA are coming for vacation, and it is as easy to meet someone from New York, as to speak to someone from Texas, and get to know not only the culture but all shades of accents.

We are a huge seafood buffet featuring over 120+items such as lobsters, crab legs, oysters, frog legs etc.

Students from different countries are coming to Myrtle Beach for many years: England, Ireland, Philippines, Russia, Ukraine, Jamaica, etc. That created the most comfortable environment not only for work, but for brief fun in attending theme parties that night clubs dedicate to students during summer time.
