Main Street Market - Deli Clerk

HOST INFORMATION

Company Description:

Main Street Market is located in a very beautiful part of Wisconsin - the Door County peninsula. Our market is in Egg Harbor, a village of 350 people on the bay of Green Bay, part of Lake Michigan. Although our village is small, our summer population increases a lot! We have many seasonal homes, hotels and resorts, great shops and restaurants - and water! We have a beautiful beach and harbor - you can see the sunset in the photo above.

Our year round staff of 35-40 people is not enough to take care of all our seasonal visitors. This is where you come in! We do add some American students as well, but there are not enough to stay into the busy fall season. We've worked with the J1 Visa program for over 20 years - and made lifelong friends with many of our former staff. One summer we had 8 countries represented!

Door County is well-known for its culture, arts scene and natural beauty. We have many parks as well as the water. We attract outside enthusiasts - bikers, runners, hikers, kayakers and boaters. Families love Door County. You should easily enjoy your days off!

We built a house for our seasonal staff in 2019. It has 8 bedrooms, 4 bathrooms, kitchen, laundry room, living and dining rooms. It is 2 blocks from our store; we **provide bicycles** for everyone. It is close to the beach and the harbor and within walking distance of most of the village. We have happy staff members!
